

Meta-Analysis Accepted for Poster Presentation at ACS Clinical Congress 2025

Rashid Latif Medical College (RLMC) is pleased to share that **Dr. Ayesha Mazhar Khan** achieved another significant milestone in medical research, with her **meta-analysis abstract accepted for poster presentation at the American College of Surgeons Clinical Congress 2025**.

The acceptance provided an opportunity for the research to be presented on an internationally recognized platform, facilitating academic exchange and exposure to contemporary surgical research.

This achievement reflects Dr. Ayesha Mazhar Khan's commitment to **evidence-based research and academic excellence**, as well as the valuable contribution of her mentors and co-authors throughout the research process.

RLMC congratulates Dr. Ayesha Mazhar Khan and her collaborators on this accomplishment and wishes them continued success in their research and academic pursuits.
