

## RLMC Students Present Meta-Analysis at AIMSCon 2025

**Rashid Latif Medical College (RLMC)** is pleased to highlight the participation of **Muhammad Daim Jawaid** at **AIMSCon – AIMC Students' Conference 2025**, hosted by **Allama Iqbal Medical College, Lahore**.

Muhammad Daim Jawaid presented his research titled **“Effect of Novel Potassium-Binding Agents on Serum Potassium Levels and RAASi Optimization in Heart Failure Patients: A Meta-analysis of Randomized Controlled Trials”** as an oral presentation, alongside **Yahya Azhar**.

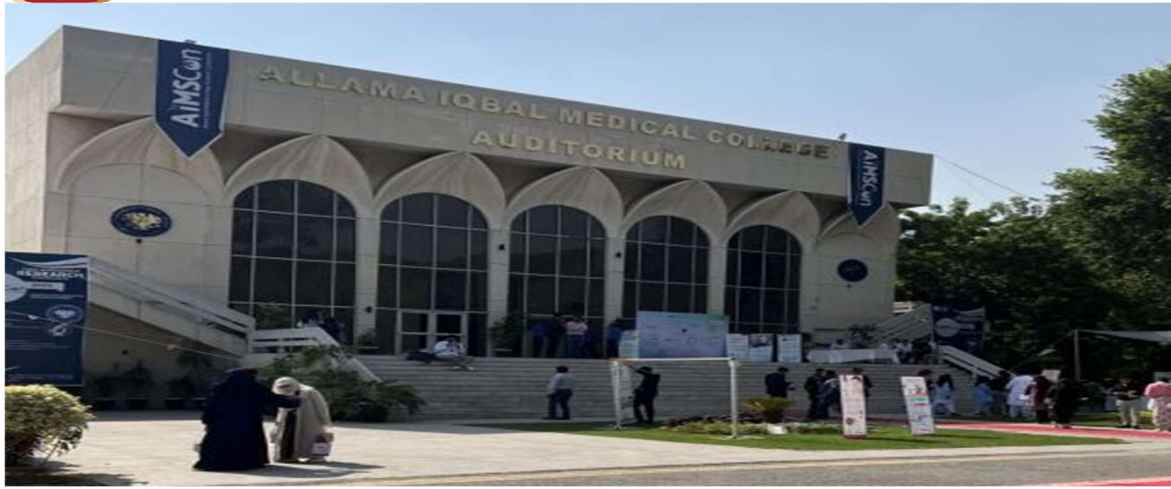

The presentation was delivered as a representative of the **RLMC Student Research Society (SRS)** under the guidance of **Prof. Dr. Tazeem Shahbaz**, reflecting the growing involvement of RLMC students in research dissemination and academic conferences.

RLMC students also participated in the conference through poster presentations, demonstrating their commitment to **research, scientific communication, and academic excellence**.

Muhammad Daim Jawaid additionally represented **MedAngle** alongside **Muhammad Areeb UI Haq**, highlighting their shared interests in **research, innovation, and medical education**.

The **Research Cell, RLMC** congratulates the participating students and appreciates their efforts in representing the institution at a national academic platform.
