

RLMC Student Represents College at AMCORE'25 as Conference Ambassador

Rashid Latif Medical College (RLMC) proudly recognizes the participation of **Syed Turab Haider Shirazi**, who represented the college as a **Conference Ambassador** at the **Ameer-ud-Din Medical College Conference on Research & Education (AMCORE'25)**.

As part of a delegation of **18 enthusiastic members**, Syed Turab Haider Shirazi actively participated in the conference, which brought together medical students, researchers, and healthcare professionals from across the country. The event featured **poster and oral presentations, keynote lectures, networking sessions, and panel discussions**, providing an excellent platform for promoting medical research, academic collaboration, and professional development.

RLMC congratulates Syed Turab Haider Shirazi on this achievement and appreciates his role in representing the institution while contributing to the advancement of research and academic excellence.

AMCORE'25
