

RLMC Representative Receives Award of Excellence at Central Park International Research Conference

Rashid Latif Medical College (RLMC) proudly celebrates the achievement of **Dr. Ayesha Mazhar Khan**, who presented a research abstract at the **Central Park International Research Conference (CPRIC)**, hosted by **Central Park Medical College, Lahore**.

The conference brought together researchers, academicians, and healthcare professionals from across the country to share innovative research and promote scientific collaboration. Dr. Ayesha Mazhar Khan's research presentation was recognized for its quality and contribution, earning her the **Award of Excellence**.

This achievement reflects RLMC's continued commitment to fostering a strong research culture and encouraging academic excellence among its faculty and staff. The Research Cell congratulates Dr. Ayesha Mazhar Khan on this well-deserved recognition and wishes her continued success in her future research endeavors.
