

Patient Welfare Club

Mission

To uphold the sanctity of medical service by mobilizing collective compassion and ensuring equitable healthcare access for all, regardless of social or financial background. To create opportunities where the youth of Rashid Latif Medical College can actively participate in life-changing causes — from a single donation to an entire community's revival.

About the Club

The Rashid Latif Patient Welfare Club (PWC) stands as the humanitarian core of Rashid Latif Medical College — a student-led initiative devoted to the spirit of compassion, service, and healing beyond the classroom.

Founded with the mission to bridge the gap between medical knowledge and human need, PWC embodies the values that define medicine at its purest form — empathy, generosity, and unity.

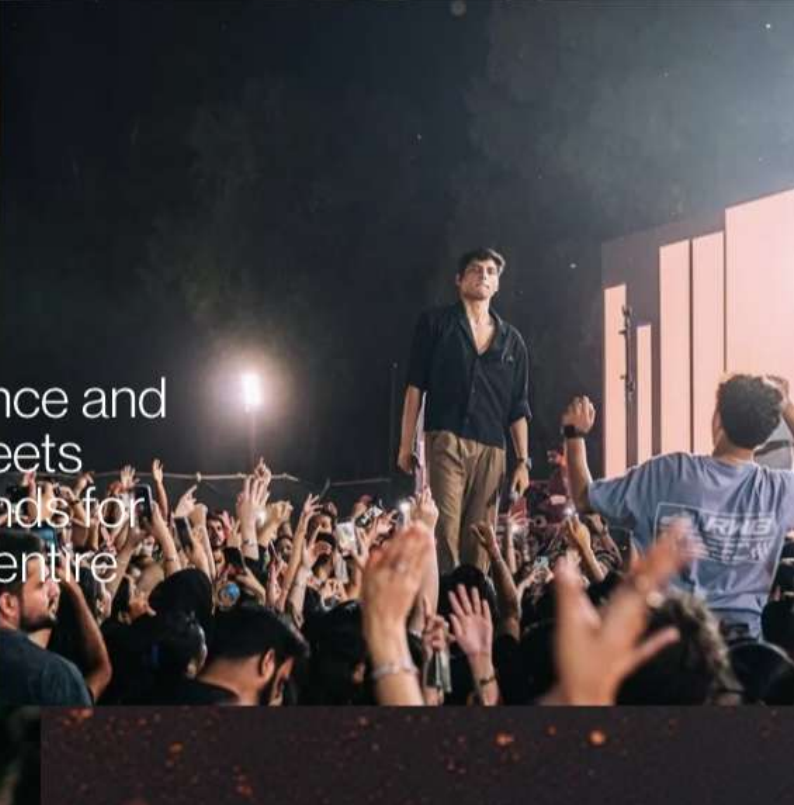

Through its diverse range of welfare projects and fundraising events, PWC ensures that no patient at Rashid Latif Hospital is denied treatment due to financial constraints. Year after year, it transforms the collective goodwill of students, faculty, and alumni into tangible relief for those who need it most.

Beyond financial assistance, PWC cultivates a sense of social responsibility and ethical leadership among students — reminding every member that medicine begins not in the lecture hall, but in the heart.

Concert

An exhilarating night of performance and purpose, where entertainment meets empathy — raising substantial funds for patients in need while uniting the entire RLMC community in celebration.

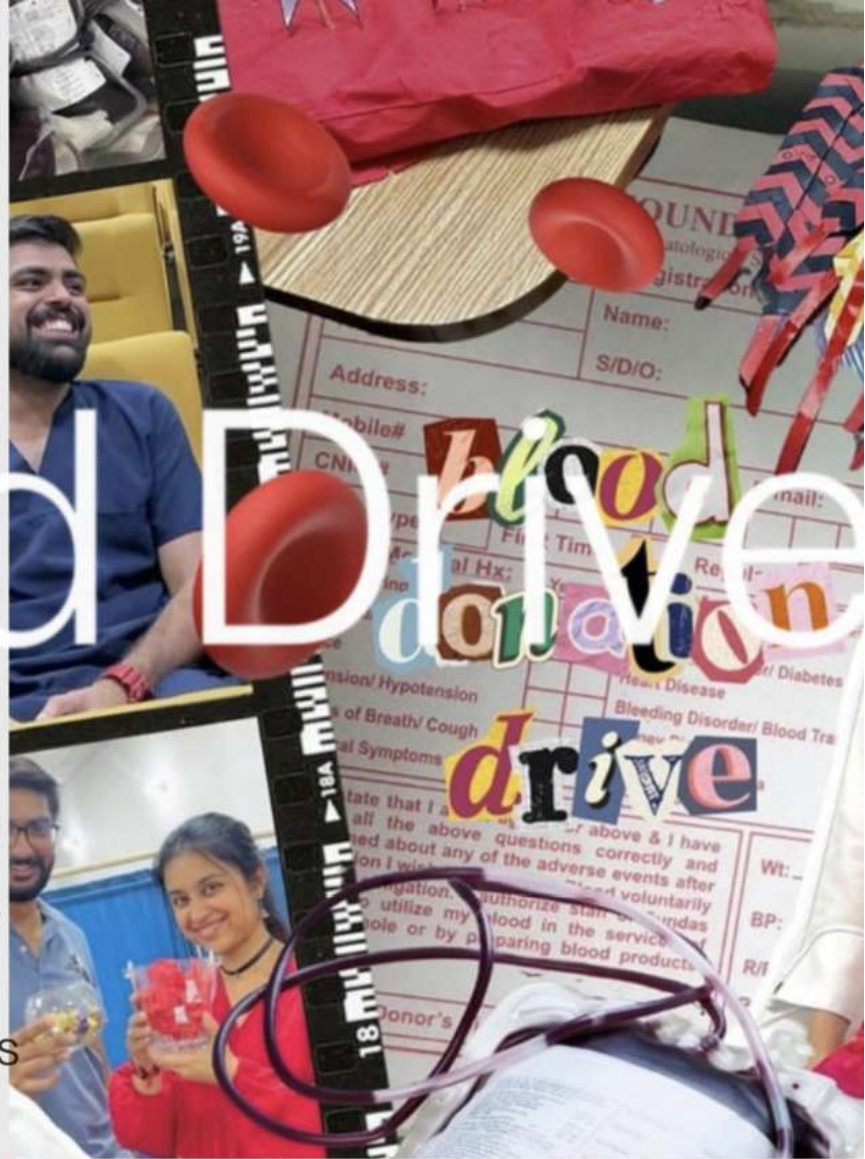

A soulful evening that blends devotion,
music, and charity — reminding us that
every note sung and every ticket sold
contributes to a life saved.

Blood Drive

Blood Drive - A campus-wide call for life — where students, faculty, and staff unite to donate blood for children battling thalassemia. This flagship event has saved countless lives and built a culture of giving that endures all year long.

Each Ramadan, the club organizes a large-scale ration distribution campaign for underprivileged families, ensuring that every home can celebrate with dignity and warmth.

A day of laughter, games, and community spirit that doubles as a fundraiser — proving that joy itself can be a form of generosity.

PW/C

(Welfare)

Funds raised

Beyond events, PWC runs an ongoing donation and welfare support program that provides financial assistance to patients at Rashid Latif Hospital. Every contribution — whether big or small — becomes a building block in the club's mission of healing and hope.

Departments	Details
Event Directors	Plan and oversee all major PWC events with precision and creativity
Creatives Team	Design and brand the club's campaigns with visual impact and meaning.
Social Media & PR	Amplify PWC's message, connecting hearts and donors across platforms.
Blood	Manage donation drives and maintain life-saving networks for thalassemia and emergency needs.
Finance and Management	Ensure transparency, budgeting, and accountability for all welfare operations.
Medical Camps	Extend care beyond campus through free health check-ups and awareness programs.
Logistics	Execute each event seamlessly and safely.
Ticketing and Marketing	Handle outreach, sales, and engagement to maximize participation and funds raised.

Executives	Names
Patron In-Chief	Prof. Dr. Mudassar Ali
Chairperson	Dr. Sahar Mudassar
Faculty Head	Dr. Sumaira Sagheer
President	Ali Zain Ranjha
Vice President	Umer Azeem
General Secretary	Shehwar Gondal

One with the World

PwC had always stepped foot first into dilemmas on the world stage in order to bring relief at whatever scale.

Our work includes standing up for the Palestinian Cause, in collaboration with Al-Khidmat Foundation, to make the Emergency Appeal successful.

We have also worked towards flood relief initiatives and are always on the look for doing whatever we can for the benefit of our community and our country.

Impact & Vision Ahead

Over the years, PWC has evolved from a campus society into a movement of compassion — transforming student energy into lifelong service. With every rupee raised, every drop of blood donated, and every smile restored, the club renews its promise to make Rashid Latif Medical College not just a place of learning, but a home of humanity.

Our vision for the future is to expand welfare outreach — building stronger collaborations with hospitals, NGOs, and student-led initiatives nationwide, and making RLMC a leading model for medical philanthropy in Pakistan.
