Policy on Internal assessment Analysis

POLICY STATEMENT

Rashid Latif Dental College shall conduct and finalize the Internal Assessment of BDS students in accordance with the applicable guidelines of the University of Health Sciences (UHS), Lahore.

Internal Assessment shall contribute 20% of the total assessment, or such proportion as may subsequently be prescribed by UHS for the relevant cohort, professional year, or curriculum.

The Internal Assessment shall reflect the student's continuous academic performance, practical/clinical performance, attendance, participation, and documented professional and behavioral attributes throughout the academic year.

2. PURPOSE

The purpose of this policy is to:

1. Ensure uniform implementation of UHS Internal Assessment guidelines across all departments.
2. Promote continuous assessment of students throughout the academic year.
3. Ensure that Internal Assessment is transparent, objective, documented, and evidence based.
4. Incorporate academic, practical/clinical, and relevant professional/behavioral attributes into the assessment process.
5. Establish a standardized mechanism for compilation, review, approval, and submission of Internal Assessment results.

3. SCOPE

This policy shall apply to:

- All BDS professional years.

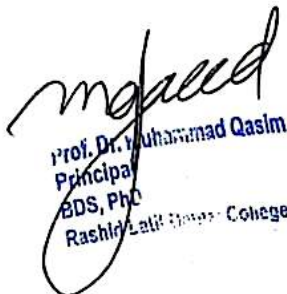

Academic and Behavioral Attributes

The Continuous Assessment component shall incorporate students' academic and behavioral performance throughout the block/year. This may include:

- Class tests and Block examinations
- Assignments
- Logbooks / PRISME portfolio
- Practical notebooks
- Academic participation
- Attitude and professional behavior

Therefore, the final Internal Assessment reflects both academic performance and documented behavioral/professional attributes of the student throughout the academic period.
