VISION , MISSION & OUTCOMES

VISION

To become the Centre of excellence in the Field of Health sciences.

MISSION

Empower Healthcare professionals with state-of-the-art education, instilling leadership, innovation, and compassionate patient care for a transformative impact on the global health landscape.

OUTCOMES

- Medical graduates will possess advanced medical knowledge and competencies.
- Medical graduates will demonstrate effective leadership abilities in healthcare settings.
- Medical graduates will apply innovative solutions to complex health challenges.
- Medical graduates will provide empathetic and patient-centered care.
- Medical graduates will understand and address global health issues.
- Medical graduates will work actively within diverse healthcare teams.
- Medical graduates will commit to continuous personal and professional development.
- Medical graduates will be able to demonstrate skills in cognition, identification and management of common clinical conditions.
- Medical graduates will develop critical thinking, communication, and adaptability skills necessary for effective healthcare practice.

Letter From The Patron-in-Chief

Prof. Rashid Latif Khan

Dear Participants and Esteemed Colleagues,

I am delighted to welcome you to the upcoming Student Conference (StuCon). As the Patron-in-Chief of this pivotal event, I am honored to witness our academic community unite in pursuit of knowledge and innovation.

StuCon is designed to empower students for excellence in research, publication, and professional growth. Our aim is to create a platform that nurtures the next generation of healthcare professionals and researchers. By fostering collaborative learning and innovative thinking, we enhance participants' skills and cultivate a mindset that champions healthcare excellence.

Throughout the conference, participants will engage in oral presentations, poster sessions, think tanks, and more, offering opportunities to showcase research, exchange ideas, and learn from experts. This approach ensures participants gain a comprehensive understanding of their subjects and acquire practical skills that exceed expectations.

StuCon represents our commitment to advancing healthcare education and building a robust foundation for future professionals. By investing in the intellectual growth and practical skills of our students, we prepare them to meet today's challenges and shape the healthcare landscape of tomorrow.

I am confident that the dedication and enthusiasm of all participants, mentors, and organizers will make StuCon a resounding success.

With warm regards,
Prof. Rashid Latif Khan

Rashid Latif Khan

LETTER FROM THE PATRON

Ms. Sabahat Khan

Dear Esteemed Participants & Guests,

It is my privilege and delight to extend a heartfelt welcome to the National Integrated STUCON (Student Conference) at RLMC.

This gathering marks a significant milestone in our academic journey, celebrating the ingenuity and scholarly achievements of our students. It is a platform designed to showcase their research endeavors and innovative insights, while fostering a spirit of collaboration and intellectual growth.

Throughout the conference, attendees will have the opportunity to engage in a variety of enriching activities, including interactive workshops, insightful panel discussions, and dynamic presentations. These experiences are crafted to not only enhance academic skills but also to cultivate a sense of community and shared learning among participants.

I extend my sincere appreciation to all who have contributed to the planning and execution of this event, ensuring its success and impact. Your dedication and enthusiasm are invaluable in creating a vibrant atmosphere for learning and discovery. Together, let us embark on this journey of exploration and inspiration, aiming to forge connections and advance knowledge across Medicine, Dentistry, Nursing, Social Sciences, and Allied Health Sciences.

Thank you for your participation, and I eagerly anticipate the contributions that will shape our collective experience at this momentous occasion.

With warm regards,

Ms. Sabahat Khan

LETTER FROM THE PATRON

Prof. Farrukh Zaman

Esteemed Colleagues & Participants,

Welcome to the upcoming Student Conference (StuCON), an event dedicated to empowering students in research, publication, and professional growth. As a chief supporter, I am honored to see our academic community unite for knowledge and innovation.

StuCON is more than academic discourse; it nurtures future healthcare professionals and researchers. By fostering collaborative learning and cutting-edge thinking, we aim to enhance participants' skills and promote innovation and excellence in healthcare.

Participants will engage in oral presentations, poster sessions, and brainstorming sessions, providing opportunities to showcase research, exchange ideas, and learn from experts.

This multifaceted approach ensures a comprehensive understanding of their subjects and practical skills.

StuCON represents our commitment to advancing healthcare education and building a strong foundation for future professionals. By investing in students' intellectual growth and practical skills, we prepare them to meet current challenges and shape the future of healthcare.

I am confident in the dedication and enthusiasm of all involved, making StuCON a success year after year. Let us learn, innovate, and create a thriving healthcare future together. I eagerly anticipate the transformative experiences and insights from StuCON.

With Warm Regards,

Prof. Farrukh Zaman

LETTER FROM THE PATRON

Prof. Tahir Masood Ahmad

It is with great pleasure that we announce the continuation of "StuCON" at Rashid Latif Medical College (RLMC), scheduled for August 28th, 2026. Since its inception, initiated by a cadre of enterprising students, RLMC has thrived and grown steadily under successive cohorts of dedicated office holders and members. The sustainability of such initiatives often proves more daunting than their inception. I extend sincere congratulations to the faculty and students for maintaining this momentum. I am hopeful that this effort will mature into a robust institution with deep roots and flourishing branches, spanning not only our institution but potentially the globe. The enthusiastic participation of medical students from numerous esteemed institutions is not only encouraging but also promises future collaboration in research endeavors.

History abounds with significant discoveries credited to undergraduate researchers, emphasizing the critical need for structured research training programs. Young minds require platforms and resources to express their innate creativity; RLMC serves as a beacon for such endeavors. I am confident that students worldwide will recognize their potential contributions to advancing undergraduate medical research and will enthusiastically join in its success.

I extend a cordial invitation to all interested institutions to encourage their students' participation in this esteemed conference. We eagerly anticipate your presence and meaningful contributions at StuCON 2026.

With warm regards,
Prof. Tahir Masood Ahmad
